

Clarification of MARSS Reporting Changes, FY 2010

Transportation category added to the enrollment record

- A new enrollment line is needed when transportation aid is determined on the Average Daily Membership for the time the student was transported for a particular category.
 - Following would be the situations:
 - Student transportation category changes to an 03
 - Student transportation category changes from an 03 to another category
 - Student transportation category changes to an 04 when prior transportation category was a 00,01,02,05 or 06
 - Student transportation category changes from an 04 to another category
